

Job Title: Volumetric Analyst

About North Atlantic

Headquartered in St. John's, Newfoundland and Labrador, North Atlantic is a diverse and growing operator in retail gas and convenience, commercial, and wholesale fuels. A leader in the energy industry in the region for more than 30 years, its group of companies, NARL Marketing LP, North Sun Energy, NARL Logistics LP, Canadian Maritime Agency Ltd. (CMAL) and Terra Velo Solutions (TVS), collectively manage a robust energy and logistics network across Atlantic Canada, supplying customers with gasoline, diesel, marine fuel, heating oil, and jet fuel.

As we advance our business for the future, North Atlantic is driven to developing efficient and green energy solutions aligned to the needs of the world in which we live. Committed to sustainable and responsible business practices, we're driving industry forward, supporting new skills and new jobs for this ever-evolving landscape.

North Atlantic has built its reputation on quality products, extraordinary service, and support for local communities. With our people first approach, North Atlantic looks for dynamic individuals who take initiative and who are committed to fostering a strong team environment. We want people who are known for their positive attitude, genuine communications, and personal drive.

Position Overview

We are looking for Finance professionals for our Volumetric and Production organization to be involved in accounting activities for existing and new challenging scenarios which require interactions with our different business lines.

Our Volumetric accounting organization supports external financial and internal stewardship reporting and analysis by ensuring that hydrocarbon movements are properly recorded and validated. Duties and Responsibilities:

- Record and reconcile volumetric movements
- Perform month-end close process for assigned areas of responsibility
- High interaction & involvement with the business
- Record all volumetric movements in manufacturing plants, including inventory, production, consumption, etc.
- Book oil loss items and calculate oil loss percentage
- Perform month-end close process for assigned areas of responsibility, including reconciliation of inventory
- Manage troubleshoot inquiries from internal customers and external contacts
- Complete government reporting on an accurate and timely basis
- Participate in process improvement projects and automation
- Ensure financial integrity of financial and inventory dataOther duties as assigned

Qualifications:

We are looking for someone who has a strong finance background and has the following skills and qualifications:

- Bachelor's degree in Finance & Accounting, Economics, Business or equivalent with min. 2 semesters of accounting
- Demonstrated analytical and problem-solving skills
- Precision and attention to details, ability to prioritize and meet deadlines
- Can-do attitude, willingness to take initiative and seek challenges
- Ability to influence others and work in a team environment
- Good communication, collaboration, and coordination skills
- Interest in digital innovation and continuous improvement, transformational mindset
- Motivation to learn and grow, to progress your career and expand your responsibilities
- Ability to effectively work across multiple organizations and teams
- Proactivity, drive and innovation

Preferred Qualifications/ Experience:

- Bilingual
- Adaptative to change
- Strong IT skills: SAP, Analytics, Automation, Data Visualization, Excel

North Atlantic is committed to Employment Equity. Accommodations during the recruitment process are available upon request for candidates with disabilities.

We offer a competitive compensation and benefits package which include Health and Dental, Wellness Program • Short-Term and Long-Term Disability • Life Insurance • Company Pension Plan with employer contribution • Employee and Family Assistance Program • Free on-site parking • Employee engagement activities

If you are a highly motivated team player, have the qualifications, and are prepared to meet the challenges as outlined, apply by submitting your resume and cover letter to careers@northatlantic.ca.

Candidates are encouraged to apply by **Thursday, October 2nd**.
